RON WRIGHT'S SPORT COLUMN:

The Jefferson Union High School Football team played it's last game of the season on December 1st. Although they lost, they played a very good game on defense. The score was 20 to 6.

Jefferson finished the season with a WON SIX--LOST TWO record, which ties the all-time record for wins and losses for the school.

****

The Jefferson Frosh-Soph lost their last game of the season also, while playing South San Francisco --by a score of 26 to 20. The game was undoubtedly the best game the boys ever played. Although the score was 20 to 19 with three minutes left in the game, our defense just couldn't hold up.

****

The Jefferson 130's basketball team have started practicing. Some of the boys from Brisbane on this team are; Larry Blanchard, Willie Green, and Merle With.

****

Everyone came out to see the P.A.L. Champs play St. Ignacious at the Cow Palace on December 12th. The boys on the team who are from Brisbane are Don Delbon, Bud Silva Ray Record, Don Rose, and Paul Bollinger.

FOR THE GOOD OF BRISBANE:

For the betterment of Brisbane the newly formed COMMUNITY IMPROVEMENT COMMITTEE held it's third meeting on Monday evening, December 4th, at the American Legion Hall. Approximately 35 citizens and interested out-of-towners attended the meeting, at which plans were made for holding a "CLEAN UP BRISBANE" week, or weekend. Date of the cleanUup campaign is to be decided upon at a later date. This meeting was primarily taken up with listing the available trucks for use in picking up the collected trash, to haul them to a designated spot for disposal. The local citizens present were given specific blocks or districts to investigate, and asked to list all empty lots, abondened shacks, wrecked automobiles, and other public nuisances. The lists are to be presented at the next meeting of the committee, scheduled for Monday, December 18th, at 8 p.m., at the American Legion Hall.

Another subject brought up for discussion was the question of an over-pass or under-pass for Brisbane. A report was made that so far no plans have been made for Brisbane at all, in regards to the widening of the Bayshore Highway to six lanes---except that we will probably be allowed to keep our traffic lights, for a time.

It was announced that the use of water-boilers as fillers for driveways and so forth is unlawful. Several traffic hazards within the boundaries of Brisbane were discussed, among which the sharp curve at Visitacion and Alvarado was discussed--the dangerous corner at Visitacion and Klamath, and the corner of Glen Park Way at San Bruno Avenue. Ways and means for bettering conditions at these potential death-traps was discussed. Underground springs, over-flowing cesspools, and dangerous gutters were discussed, and plans made for bettering these conditions also.

It was decided to draft a letter to District Attorney DeMattias, asking him to clarify the laws in regards to various public nuisances such as abondened shacks and cars.

The possibility of getting local residents to paint their houses was discussed. It was suggested that a team of approximately twenty men could paint all "eye-sores"--thereby making Brisbane more beautiful for all of us. This matter to be brought up for further consideration at the next meeting. Also discussed was the possibility of sewers for the upper streets, such as Humboldt Road.

LOCAL SERVICEMAN HOME ON LEAVE:

Mighty nice to see Pfc Herb Gagnier home on fifteen day leave from Pope Airforce Base, Fort Bragg, North Carolina. His parents Mr. and Mrs. Del Gagnier of Kings Road are especially happy to see him, after the rough air trip Herb had getting home. His plane developed motor trouble this side of Denver, Colorado--and he was twelve hours late in arriving at S.F. Airport. The entire Gagnier "clan" had a few anxious hours while awaiting Herb's arrival. We can imagine! Anyhow, WELCOME HOME HERE! REPORT FROM THE RED CROSS:

Information received today by William H. Taylor, Chapter Chairman of the San Mateo Red Cross, states that a goal of $85,000,000 for the 1951 American Red Cross Fund Campaign was announced by General George C. Marshall, Red Cross President. The figure was set by the organizations Board of Governors to meet the enormous tasks assumed by the Red Cross in the present national emergency, General Marshall stated.

The campaign will be held March 1st to 31st, with Brig. General David Sarnoff, Chairman of the Board of the Radio Corporation of America, as National Fund Chairman.

The nation's mounting military strength is creating sharply increased demands on the Red Cross, General Marshall pointed out. In addition, Civil Defense committments require the organization to train 20,000,000 persons in first aid; instruct hundreds of thousands in home nursing and as nurses aides; recruit millions of blood donors; and prepare for mass feeding, clothing, and shelter in case of major disaster or national emergency.

"The total resources of the Red Cross must be mobilized for defense of our homes, our communities and the nation in the interest of security and world peace", he declared.

FOUND: TWO PAIR OF GLASSES:

Some youngster in Brisbane is going around, peering out at a dark and dreary world. He, or she, lost a pair of heavily magnified glasses with pink plastic rims. The other pair could belong to an adult--as they are rimless, and seem to be expensive glasses. Wont someone please call JUNIPER 5-7141 and let us know to whom these glasses belong? Incidentally, one of our BYLINE sellers, Bob Seevers, found them near the Service Station at #1 San Bruno Avenue. He would also like to see the glasses get back to their rightful owners.

Mr. Ralph Rumbaugh is Patrol Councilor for the Apache Patrol, and is doing fine work. Mr. Otto Arzi of 41 Humboldt Road has volunteered as another Patrol Councilor--so now we have room for eight more prospective Scouts.

CHILDREN'S CHRISTMAS PARTY:

All plans have been made for the big Christmas Party and Parade, scheduled for December 19th--weather permitting. Nearly one hundred prizes await the children who take part in the parade and attend the party.

To the children who are now selling tickets, there will be twenty prizes awarded by a drawing. For each ten tickets a child sells, he or she gets a chance on the twenty prizes. These tickets are on sale to finance the Christmas Party and Parade. The success of the party this year and succeeding years depends upon community support of the associated clubs of Brisbane, who are sponsoring the affair. If the ticket sale is large--the party will be a big one. If not--present plans for the Best Party Ever could fail. The clubs are hard at work in their endeavor to give the children of Brisbane a real Christmas treat.

TO THE PARENTS OF CHILDREN OF PRE-SCHOOL AGE:--twenty prizes will also be awarded these children. As we have no way in telling who all these kiddies are--it is up to you to register your child for the drawing to be held at Laing's Fountain, and pick up a ticket enabling him or her to participate. If your child already has his ticket--please do not re-register, as there will be only one ticket for each child.

TO THE KIDS OF BRISBANE: Are you getting ready for the parade? A look at the prizes in the window across the street from Laing's Fountain should make you work hard to get one of them for your very own. Remember---they are all going to be given away for costumes, floats, best-decorated wagons, bicycles, tricycles-doll buggies, and so forth. Try to get your mother and father to help you decorate your entry for the parade. LET'S GO, KIDS!!

TO THE CITIZENS WHO WISH TO DECORATE THEIR HOMES: It would be wise to make plans now, so that you will have plenty of time to get water-proofed wiring and so forth. The prizes for best-decorated homes are so worth-while this year, that it would be a shame to miss out on the competition. LET'S DRESS UP BRISBANE FOR THE CHRISTMAS SEASON. LET'S SHOW THE REST OF THE PENINSULA HOW TO DO IT!

DAN CASE BENEFIT FUND HUGE SUCCESS:

American Legion Post #473, in conjunction with the Lion's Club and many other organizations, wishes to take this opportunity to thank all who donated to the Dan Case Benefit Fund, as well as those who worked so hard to make of it the success it was. Approximately $1200 was raised in both the donations and the Benefit Dance--the entire sum of which was turned over to Mrs. Case, and her family.

The amount broken some sort of record on the Peninsula for free donations or collections to any one person or family at time of bereavement and sorrow. We can be very proud of our record--for this small community has shown that size of boundaries does not interfere with size of HEART. Congratulations, Brisbane--for a job well done!

For those of you who have been inquiring---the winner of the Radio given at the Benefit Dance was a police matron of Redwood City, Mrs. F. Bunner. The winner of the electric iron was W. Watkins, of 165 Lake Street, Brisbane.

Thanks is also due to the Paggliacci three piece orchestra, which donated their time and talents at the Benefit Dance. And to the many people who helped out in many ways to make it the huge success it was.

NINETEEN HUNDRED AND FIFTY-ONE!

Because our first 1951 Calender arrived by mail today--and because it makes us feel a little nostalgic over losing our "half-century" year so soon----we scraped together the following poems anent the coming of the New Year:

THE OLD YEAR

What is the old year? 'Tis a book
On which we backward fondly look--
Not willing, quite, that it should close,
For leaves of violet and of rose
Within it's heart are thickly strewn,
Marking Love's dawn and golden noon.
And turned-down pages, noting days
Dimly recalled through memory's haze.
And tear-stained pages, too, that tell
Of starless nights and mournful knell
Of bells that toll through troubled air--
The "De Profundis" of despair.
The laugh, the tear, the shine, the shade,
All 'twixt the covers gently laid--
No leaves uncut, no page unscanned;
Close it--and lay it in God's Hand.

by CLARENCE URMY.

THE NEW YEAR

A flower unblown; a book unread;
A tree with fruit unharvested.
A path untrod; a house whose rooms
Lack yet the heart's divine perfumes;
A landscape whose wide border lies
In silent shade, 'neath silent skies
A treasure with it's gifts concealed;
This is the year that for you waits
Beyond tomorrow's Mystic Gates!

LATE SPORTS NEWS FROM RON WRIGHT:

The girls basketball team won over Glen Park by 34 to 11--a very close game. Kay Barnes was "high point man" with 16 points.

****

Pat McCool of Jefferson Union High School was named all P.A.L. quarterback of the 1950 football season. Bob Gallegher and Max Kliem were named for the second team. Rich Harrison was named as "honorable mention".

****

The 130's basketball team of Jefferson High lost to Lincoln High at Kezar last Tuesday, by a score of 45 to 34. The boys were leading at the half, but they seemed to fall apart in the third quarter. A lot of practice won't do the 130's any harm.
